Subject: Tree Hearing

**PLANNING BOARD
GRAFTON, MA**

Hi Joe,

I'm not sure if I'll be able to attend tonight's tree hearing for 113 Adams Rd. I've been battling a stomach bug and it seems to be winning the fight.
I did visit the site and inspected the tree. This tree is located outside of the right of way and the overall health of the tree is fairly good. Many of the tree's in this area of Adams Rd are in poor or declining health. I do not have any issues with the removal of this tree but would recommend planting a new tree nearby.
